

Disappear

Logan Henderson

I got you wrapped up in your favorite color red
Looking like the cherry of my burning cigarette
Throw me in your fire, let me pay you for my sins
I don't even try to fight it, I just keep on giving in

Higher, higher, higher, disappear
(So high, can't come down)
I can't, I can't, I can't breathe in here
(Swore off your chemicals)
I'm kicking like a junkie
An addict for your fix
(High-, high-, higher)
Higher, higher, higher, disappear (disappear)

I've been sleeping with a liar, yeah you know we don't get no sleep
It's like I'm chained to the desire, yeah she knows that I'm in too deep
And throw me in your fire, let me pay you for my sins
I don't even try to fight it, I just keep on giving in

Higher, higher, higher, disappear
(So high, can't come down)
I can't, I can't, I can't breathe in here
(Swore off your chemicals)
I'm kicking like a junkie
An addict for your fix
(High-, high-, higher)
Higher, higher, higher, disappear (disappear)

I'm running, I'm running, I'm running, I'm running in place
I'm losing, I'm losing, I'm losing, I'm losing my faith
I'm falling, I'm falling, I'm falling, I'm falling from grace

I'm running, I'm running, I'm running, I'm running in place
I'm losing, I'm losing, I'm losing, I'm losing my faith
I'm falling, I'm falling, I'm falling, I'm falling from grace

Higher, higher, higher, disappear
(So high, can't come down)
I can't, I can't, I can't breathe in here
(Swore off your chemicals)
I'm kicking like a junkie
An addict for your fix
(High-, high-, higher)
Higher, higher, higher, disappear (disappear)

Higher, higher, higher, disappear
(So high, can't come down)
I can't, I can't, I can't breathe in here
(Swore off your chemicals)
I'm kicking like a junkie
An addict for your fix
(High-, high-, higher)
Higher, higher, higher, disappear (disappear, whoa)
