

Said And Done

Logan Michael

Can't believe that I wasted all this time on someone who don't care about me
I guess now I see
Gave you all that I had, just short of a diamond ring
Yeah, you were my everythin'
Well, ain't it funny how things changed

Now that it's all said and done
You won't be in the end
I knew it from the jump
All your love was just pretend

You took all my time
You wasted my money
I smile through the pain, but this shit ain't funny
Prayed you were the one
Now you're long gone
And I'm drinkin' somethin' strong all alone
Now that it's all said and done

Don't get me wrong I forget a little about you everyday
Like how you walked away
Left me with nothin' but a memory
I heard the rumors that been flyin' through this little town
Like how you been gettin' down with any guy that buys you a drink

Now that it's all said and done
You won't be in the end
I knew it from the jump
All your love was just pretend

You took all my time
You wasted my money
I smile through the pain, but this shit ain't funny
Prayed you were the one
Now you're long gone
And I'm drinkin' somethin' strong all alone
Now that it's all said

Forget about me
Forget about you
But I won't forget all the shit that you put me through

Now that it's all said and done
You won't be in the end
I knew it from the jump
All your love was just pretend

You took all my time
You wasted my money
I smile through the pain, but this shit ain't funny
Prayed you were the one
Now you're long gone
And I'm drinkin' somethin' strong all alone
Now that it's all said and done

Now that it's all said and done
Oohh-oh

Now that it's all said and done
