

Wrapped

Logan Mize

This time of year was always sad for me
Until you came along
Now I won't need presents underneath the tree
Already got what I want

'Cause you got me wrapped
Round your finger, round your love
You're the one I ain't giving up
You got me wrapped
Tied up to you, since I knew you
Never thought I'd fall so fast
You got me wrapped

They lit the downtown square in lights
They're playing old Christmas songs
When the new year comes, I won't be sad
'Cause I get to keep you all year long

'Cause you got me wrapped
Round your finger, round your love
You're the one I ain't giving up
You got me wrapped
Tied up to you, since I knew you
Never thought I'd fall so fast
You got me wrapped

Just like Christmas morning tied up in a bow
There's no one else out there for me
I just want you to know that

You've got me wrapped
Round your finger, round your love
You're the one I ain't giving up
You got me wrapped
Tied up to you, since I knew you
Never thought I'd fall so fast
You got me wrapped

Round your finger, round your love
You're the one I ain't giving up
You got me wrapped
Tied up to you, since I knew you
Never thought I'd fall so fast
You got me wrapped, you got me wrapped
You got me wrapped
