

Bleed It

Logic

Bleed that back when I bleed that
Think I'm too lit that, you be like
Bleed that with, with
Bleed that back when I bleed that
Think I'm too lit that, you be like
Bleed that with, with
Bleed that back when I bleed that

Ayo, I was chillin' with my mom watching Ten Commandments
Got a bottle in her hand and her face in a band-aid
Social services fuckin' up my vibe
Smiling for the worker, but I'm dyin' on the inside
Hahahaha, everything's fine
Sometimes I feel like I'm losing my mind
I've seen a lot of shit in my lifetime
Playin' the field, man, I need another lifeline
Fifty-fifty, I was born to be a fuck-up
What up? Always in myself, so, shut the fuck up
I bleed it, I fuckin' bleed it
I bleed it, I fuckin' bleed it
Pick up the pen, then I bleed it (I bleed it)
A criminal I was in my past life
Nothing but women and drugs, it was a fast life (Bleed it)
I got 9-1-1 on FaceTime
Walkin' in the bank, Glock .9 on my waistline
Empty the clip, fuck no, I never waste time
Grab the cash and gas to the baseline

I bleed it, I fuckin' bleed it
I bleed it, you know I bleed it
I bleed it, I fuckin' bleed it
Pick up the pen, then I bleed it

I once was a loser, a failure
Drownin' in the sea of my sorrow, as a sailor
Lookin' for lane, feelin' down as a mess
Prayin' up to God, will He gather me, man?
Thinkin' of all of the sons, I never sonned
That's the day I die while I'm fillin' up my lungs
In another life I was a killer
Psychopathic, schizophrenic population filler
Livin' in the background, livin' in the shadows
Waitin' for the rest of the world to decompose
'Til I put a bullet in my head
Now the life that I'm livin' as a sinner
Just a human being, a professional beginner
I was, never a winner but I won somethin'
'Cause everybody loses where I come from

I bleed it, I fuckin' bleed it
I bleed it, you know I bleed it
I bleed it, I fuckin' bleed it

Pick up the pen, then I bleed it

Bleed that back when I bleed that
Think I'm too lit that, you be like
Bleed that with, with
Bleed that back when I bleed that
Think I'm too lit that, you be like
Bleed that with, with
So alright
