

Can I Kick It

Logic

Okay

Oh, oh, oh, oh, oh, oh

Wonderful beauty queen

You're the only one for me

It don't matter how it seems

But you can come kick it with me

Well, can I ask you, baby

Can I kick it? Yes, you can!

Can I kick it? Yes, you can!

Can I kick it? Yes, you can!

Well, I'm gone, gone

Ayy, it's that Bobby Boy, better known as chocolate and vanilla

Ain't another iller, I'm that new to godzilla

I feel a sensation, vibration comin' on

Walk up in the spot like a motherfuckin' don

What's up with you, shorty? Tryna get to know you

I know we went to school together, that's the old you

Never told you how I felt, I feel I owed you

Never really tried to talk to you because of old you

But beautiful, beautiful, beautiful girl

Don't you walk out my world

Everything that the boy feel for you, girl

It compiles my world

Tell me that you're satisfied

Without me right by your side

No, no, please don't run and hide

Let your man give you a ride

No, no, please don't run and hide

(Skippity, bop, bop, na, na ,na ,na)

(La da-da, la da-da da da-da da)

Can I kick it? Yes, you can!

Can I kick it? Yes, you can!

Can I kick it? Yes, you can!

Well, I'm gone, gone and

Can I kick it? Yes, you can!

Can I kick it? Yes, you can!

Can I kick it? Yes, you can!

Well, I'm gone, gone and

Wonderful beauty queen

You're the only one for me

It don't matter how it seems

But you can come kick it with me

Well, can I ask you, baby
