

Catch This Vibe

Logic

Waddup with you shawty, come and catch this vibe
Jump up in the whip, I'ma show you how to drive
Met a lot of honeys, you the sweetest in the hive
You the most beautiful girl alive
Waddup with you shawty, come and catch this vibe
Jump up in the whip, I'ma show you how to drive
Met a lot of honeys, you the sweetest in the hive
You the most beautiful girl alive

Drop top summer '09 in my hood
Roll around the city, we was up to no good
Wish I- Wish I had that money stacked like I should
Wish I- Wish I had that money money like I should
Wish I- Wish I had it like I should
I said I wish- I said I wish- I wish I
