Ice on my neck, make my neck freeze  
You know I run the wave, no jetski's  
New bitch on me so sexy  
Got me kind of glad that my ex wife left me  
You know I ball hard, you can catch me at the Espy's  
Sliding on my goals like I'm motherfucking Gretzky  
Ayy, you know it's on and popping like Pepsi  
Ayy, you know it's on and popping like, popping like

Uh, gra-ta-ta-ta, bitch I don't give a fuck

And I'm stunting, I'm running this shit like a marathon  
Used to hit the soup kitchen on Tuesdays now I be shopping at Erwehon  
Yea I shine like a flare gun  
Feeling fresh like I just got my hair done  
Like I just got my hair did, boy don't sleep on my heritage (What's that?)  
Black man, black man, running from the police  
Know we gotta make it out, never had a doubt  
But the route wasn't clear, needed somebody to show me  
Who I am, what I be, life is in front of me  
I don't know how I do this shit everyday, it come to me  
Really if it come to that, chain around my neck, that's a hundred racks  
Acting like you got it bitch you really need to run it back (Ah, yeah)

No less, man you got me so stressed  
Young motherfuckers, want 'em all to win

Why you think the boy tryna reach 'em right now, fo?
