

# Driving Ms. Daisy

Logic

Somewhere this shit done got crazy  
I've just been driving Miss Daisy  
With my hands on the steering wheel  
And my eyes on the pavement  
I give a fuck 'bout where they went  
I owe my lawyer a payment  
They talking 'bout no arraignment  
Now I wonder where the rain went  
I just been all in my mind, homies tell me I'm stressing  
I been counting what's on my bucket list and not on my blessing's  
I think it's time for a lesson, hold up, you better pay attention  
I can't end up like my momma popping anti-depressants  
My therapist think I'm crazy, well shit, she probably does  
All that stress I'm under, I wonder why I don't do drugs  
Raised in a household full of killers and thugs  
Shit I've been in doubt so long, don't know who I was  
But I know who I am, yes, I know who I is  
Please pardon my grammar, Daisy vibing with this

I've just been driving (2x)  
I've just been driving Miss Daisy (4x)

That Bino the realest, uh, this beat made me kill it, uh  
Her feet to the ceiling, she said that she love me  
She never said that in college, 3005 is our mileage  
I'm in my lane like a Prius, because I'm moving in silence  
You still ain't broke down yet?  
All the flashing lights and a couple Crown Vic's  
Wanna rock a crown and a ring on the left  
Tell your nigga speed up, she don't wanna get left  
Relationships look closer in that rearview  
Finally slow it down and realize she ain't nowhere near you  
So now you gotta stop, park, put that shit in neutral  
Yeah, you really love her, but is she worth your future?  
Your Ciara, your Beyoncé, they'll be saying he got money  
Think that Kim be with Kanye if he left drive in the driveway?  
Yeah, I know who you are, yeah, I know who you is  
We were driving together, when we met we were kids  
You ain't know 'bout the biz, I ain't know 'bout it either  
I see you in that new ride, I flash my lights when I see you  
I just be driving

Turn left on West Deer Park  
Doing ninety on the highway, we gon' do it my way  
Ninety on the highway, we gon' do it my way  
Ninety on the high (4x)  
I've just been driving Miss Daisy (4x)
