Logic

You the man, you know you the man, Roley on your hand  
It's the jam, just don't give a damn, coolin' with the fam  
Goin' HAM, fly to Vegas, get the band, haters hate me but they Stan  
'Cause the things they wish they could, they know I can

Goddamn

You the man, you know you the man, Roley on your hand  
You the man, you know you the man, just don't- just don't- just don't give a  
damn  
Coolin', coolin' with the fam, goin HAM, now they all know who I am  
Now they all know who I am  
You the man, you know you the man, Roley on your hand  
You the man, you know you the man, just don't- just don't- just don't give a  
damn  
Coolin', coolin' with the fam, goin HAM, now they all know who I am  
Now they all know who I am

Goddamn, this shit been the plan, do it 'cause I can  
Made more money than 99% doin' it like spam  
Fuckin' hand reachin up at night, I do not give a damn  
Spend a lot, then make a lot, and then we do that shit again  
1967 Bronco pull up like I serve that blanco  
1800 made my bank account look like a phone number  
Your career goin' under, I'm 'Top-5' that's alive  
That's no lie, you ain't in the conversation, couldn't make it if you tried  
If you ain't droppin' shit like all the time then people think you died  
Shit too easy for my blood, they too quick to leave you crucified  
Shit ain't work out with my last, TMZ act like I lied  
Called Jermaine for some advice, 'cause these people think I'm careless  
He said "Bobby, on the real motherfuck 'em all, you should care less"

You the man, you know you the man, Roley on your hand  
You the man, you know you the man, just don't- just don't- just don't give a  
damn  
Coolin', coolin' with the fam, goin HAM, now they all know who I am  
Now they all know who I am  
You the man, you know you the man, Roley on your hand  
You the man, you know you the man, just don't- just don't- just don't give a  
damn  
Coolin', coolin' with the fam, goin HAM, now they all know who I am  
Now they all know who I am

The fuckin' man, I'ma get it like that, baby girl, now tell me do you understand?

I swear my only motivation is your elation  
Feel the sensation, baby girl be patient  
My heart is racing, she keep on telling me she promise she ain't never done  
this before  
I said "I know that's a lie, but I love when you try and I just can't live w  
ithout it  
Even the thought of you leaving me, can't think about it "

She said- she said- she said  
You know you the man, you know you the man  
You the only man who truly understands  
I said, I know I'm the man, yeah I know I am  
Ain't no doubt about it, every single move I make, they always seem to write

about it

That's why I never leave the compound, always up inside it  
I ain't never in the streets, when I am, they come running to the boy, to the boy  
I got way too many people nowadays I'm trying to avoid  
Ain't been on the 'Gram in months, that shit get me too annoyed  
All the weed inside these blunts got me feeling paranoid like 'noid like  
Yeezy, Bobby take it easy, my dog, why you always make it look so easy, my dog?  
Yeah these haters talking shit, but success is my shield  
Scarecrow flow, I'm out-standing in my field

I just texted JJ Abrams on some million dollar shit  
Yeah, my movie gon' be crazy, first I gotta polish it  
Schoolin' all you fuckin' rappers, this right here the scholarship  
In my presence they your presents, yeah you best acknowledge it, bitch

You the man, you know you the man, Roley on your hand  
You the man, you know you the man, just don't- just don't- just don't give a damn  
Coolin', coolin' with the fam, goin HAM, now they all know who I am  
Now they all know who I am  
You the man, you know you the man, Roley on your hand  
You the man, you know you the man, just don't- just don't- just don't give a damn  
Coolin', coolin' with the fam, goin HAM, now they all know who I am  
Now they all know who I am
