

# My Way

Logic

I'ma do it my way (My way)  
Ah yeah, I'ma do it my way (My way)  
They lookin' at me sideways (Sideways)  
But I ain't livin' for the dead today  
I'ma do it my way (My way)

They lookin' at me sideways (Sideways)  
But I ain't livin' for the dead today

I'm on ten, homie, yeah I'm on ten  
Just me and my family and all my friends  
We gon' do it our way 'til the fuckin' end  
I'ma do it my way, I won't ever bend, oh yeah  
Take a look in my lens  
Bad bitch with me when I pull up in a Benz  
That's my baby mama, ain't no drama, don't pretend

Ah yeah, if you had my money then you'd do it your way  
Ah yeah, if you have my money you will do it your way, but

I'ma do it my way (My way)  
Ah yeah, I'ma do it my way (My way)  
They lookin' at me sideways (Sideways)  
But I ain't livin' for the dead today

This for everybody at the party goin' crazy  
All that bullshit don't phase me  
On the dancefloor bumpin' JAY-Z  
Sip a lil' somethin' then the night got hazy (Hey)  
This for everybody at the party goin' crazy  
Yeah, this is amazing  
I feel bad for anybody that stayed in  
Oh yeah, fuck whoever hatin'  
Drinks on me, I'm payin'

Ah yeah, if you had my money then you'd do it your way  
Ah yeah, if you have my money you will do it your way but

I'ma do it my way (My way)  
Ah yeah, I'ma do it my way (My way)  
They lookin' at me sideways (Sideways)  
But I ain't livin' for the dead today  
I'ma do it my way (My way)
