That shit is triggerin', bro  
That shit gets me angry man  
Don't ever disrespect me with half-curly, half-straight hair bro  
What type of shit is that?  
Don't ever disrespect me lookin' like a black and white [?]

Don't ever disrespect me lookin' like an inside-out Oreo, bro  
Don't ever disrespect me calling yourself "Young Sinatra", bro  
You ain't even got that type of swag, bro
