

# Screwed Up

Logic

Are you asking me? I can't do it! I don't know how to make it sound sexy  
Yeah, we gon' slow this down for y'all one time, you know what I mean?  
Show you a little bit of versatility on my end  
Let's show you how we do it  
Listen to this, nigga

Uh, yeah, uh yeah  
I don't give a damn if I'm hated, I'll leave you dilapidated  
I want that cheese in bulk, fuck a slice, I'ma grated  
I give more than you, homie I'm John Q  
I'ma a youngin' that givin' his heart a donor, but you  
Ain't got a clue, I call you Silver Stone  
Bring punches like I'm Stalone 'cause I'm rockin' 'em  
On the rise fast like I'm stockin' 'em  
Everybody hear Logic then everybody jockin' 'em  
I bring sole like Nike, I love life like Mike  
Nobody like me  
Step on the stage, everybody like me  
Drop at least a track a day  
Homie, I'm tryna fill a 30 gig  
This is nothin' but dedication, yeah, you gotta dig  
Keep it blunt like when I spit game  
Baby girl, I'm yo' next man, soon to be yo' ex man  
'Cause I'm so beast, I'm an animal  
Fuck the pussy, but never eat you, I ain't no cannibal

Yeah  
This what I'm talkin' about  
Aight, I'ma get lit up on y'all one time

When the honey's walk by, you know they always slippin'  
'Cause I leave 'em drippin'  
Holla at yo' boy, I'm down to dippin'  
Yeah, I'm from the East Coast, but this flow is grain grippin'  
My qualifications exceed great like Britain  
I don't sell 'caine 'cause these tracks what I'm flippin'  
I'm lookin' for that money you can store up in yo' mattress  
So if you wanna shine, you can shine and they can't tax it  
Rubbers for my bitches, but my wifey get the plastic  
I spit fire like that boy, that beat is so fantastic  
Keep the flow suspenseful and the punchlines stay drastic  
I'ma drop tracks 'til they drop me in the casket  
Step around my way, motherfuckers, and get blasted  
Yeah, you bitin' like that Dawn of the Dead  
And I'ma be that character to put one in yo' head  
You lookin' for the brains and you also found the brawn  
They should call me James 'cause I'm ballin' like Lebron

Sittin' sideways, paused in a daze  
Sittin' sideways, paused in a daze  
Sittin' sideways, paused in a daze  
On a Sunday night I might bang me some Maze
