

# For The First Time

Loick Essien

She's all alone up in bed with a broken heart,  
While I'm drinking jack all alone in my local bar,  
And I don't know how, how we got in to this mad situation,  
Only doing things outta frustration  
Trying to make it work but man times are hard,

She needs me now but I can't seem to find the time,  
I got a new job now on the unemployment line,  
And we don't know how, we got into this mess  
Is it God's test?  
Someone help us 'cause we're doing our best,  
Trying to work it out but man times are hard, yeah...

Now We're drinking old cheap bottles of wine,  
Sit talking up all night,  
Saying things we haven't for a while, a while, yeah  
We're smiling but we're close to tears,  
Even after all these years,  
We just now got the feeling that we're needed for the first time

Oh yeah  
Ooo ooo ooo

She's in line at the phone with her head held high  
But I just lost my job, I didn't lose my pride  
And we both know how, how we're gonna make it work when it hurts  
When you pick yourself up, you get kicked to the dirt  
Trying to make it work but man these times are hard

Now we're drinking old cheap bottles of wine,  
Sit talking up all night,  
Saying things we haven't for a while, a while, yeah  
We're smiling but we're close to tears,  
Even after all these years,  
We just now got the feeling that we're needed for the first time

Oh yeah  
Ooo ooo ooo

Now we're drinking old cheap bottles of wine,  
Sittin' talking up all night,  
Doing things we haven't for a while, a while, yeah  
She's smiling but she's close to tears,  
Even after all these years,  
We just now got the feeling that we're meeting, for the first time

Oh yeah  
Uh  
For the first time  
Oh yeah  
For the first time  
Ooo  
For the first time  
Ooo  
For the first time  
Ooo  
Oh yeah

We just now got the feeling that we're needed for the first time
