

LEADER!

Lojay

Shey you don see moto with suicide door and electric charge
We dey do pim-pim-pim with American boys from silicon valley
If she rude put her feelings on cruise
Tell her it's all over
Why you wanna be my controller?
Shey you only see me like a soldier?

Leave her
If she move wrong, leave her
Too many babes on signal
'Cause my wrist like freezer
Girl I'm your leader
Look my face like leader
All of my trips on visa
Off a Julio like Caesar

Why you wanna put all of your load
And all your cynical emotions in my wheelbarrow?
Na when you dey look for person wey go devour your punani you g
o call lolo
She know say me I be chop and move
She give me submission like kurt angle
Give me permission make I rough handle

Prrrrr misimala wey wey wey

Shey you don see moto with suicide door and electric charge
We dey do pim-pim-pim with American boys from silicon valley
If she rude put her feelings on cruise
Tell her it's all over
Why you wanna be my controller?
Shey you only see me like a soldier?

Leave her
If she move wrong, leave her
Too many babes on signal
Cause my wrist like freezer
Girl I'm your leader
Look my face like leader
All of my trips on visa
Off a Julio like Caesar
