

When it's cold and clouds are raining outside o
Do-do
Girl I'll bring I'll bring a blankie your way-way
Do-do

And if things go bad, you're on your last card o
Do-do
Oh I'll bring, I'll bring a lotto your way-way
Do-do

Even if sun don't shine in the morning time
I use halogen make e sha na
So I'll chase I'll chase the darkness away-way
Way-way

So I could never understand
You said you need time and space
Only on the weekends
But I listened kept on driving away-way
Away, away

In my moto
In my moto, moto, moto
In my moto
In my moto
In my moto, moto, moto
In my moto
In my moto
In my moto, moto, moto
In my moto
In my moto
In my moto, moto, moto
In my moto

All of my G's say make I move slow
You do me things wen nobody else know-know
I know you poison deep in my soul
But I no fi leave you uh, leave you alone-lone

I been Dey use fentanyl
Make I no reason all the evil
Wey you do me on the low-low
Oh my baby, we be like oil and water
Oil, oh me girl

You know I could never refuse you
I dey see your face in my rearview
Now I'm all alone in my new coupe
And only me dey fire down vroom-vroom
Saw you with a valentine substitute
Fi like say my tummy don loo-loo-loo-loo-loose eh
I hope he give you all the
Give you all the
Give you all the whole wide world
While I cry alone

In my moto

In my moto, moto, moto
In my moto
In my moto
In my moto, moto, moto
In my moto
In my moto
In my moto, moto, moto
In my moto
In my moto
In my moto, moto, moto
In my moto
