

Tonongo

Lojay

Champagne stripper, real gold digger
She need Mulla, big bag biller
Waist on wicked, laps grown thicker (Oh my girl)
One night lover, blood and fire
Turn my balance to small boy dollar
Bum bum cover my oblangata o Jesu, Jesu

You win the ass cheek ballon d'or
Put all your soul into it
You make the thing go Tonongo, Tonongo
Tonongo, Tonongo
Body lepa and orobo
The way you ride is fluid
You make the thing go Tonongo, Tonongo
Tonongo, Tonongo

No be say she demand your love, oh no
Kitty like a flamingo
Comment tu t'appelle, do you live in jalingo (do you live in ja lingo)
Kanipe, I no want to let you go
Tele you to finito
If you be my Leia, will I be your Han Solo
Met her at the club and hesitated to judge
Whine to the bass, to the bottle of scotch
Scramble my head and she do it on soft o girlie o
Girl you make it easy to fall in love
'Cause you got the qualities I need on lock
Social sinner to fashion killer o Jesu, Jesu

You win the ass cheek ballon d'or
Put all your soul into it
You make the thing go Tonongo, Tonongo
Tonongo, Tonongo
Body lepa and orobo
The way you ride is fluid
You make the thing go Tonongo, Tonongo
Tonongo, Tonongo
Tonogo, Tonongo, Tonongo, Tonongo
