Woke up in a foreign
Lifestyle of the fallen
Wọn wa mi o
Enemies no fit find me
I be like UFO landing
Angẹli o
I no fit sleep till the morning
Oloṣo take off the burden
It's on video
Free the youth on my trousers
I get community license
And if ọlọpaa demand I go unleash

Billings billings billings billings billings billings
Say the billing go shake you
And if your baby no rate you
Oh she go fit oppress you pass Idi Amin
Oh living living living living living living
See the living na fake o
If you go gallant you gatts package in Eko
For the dollar, dollar dollar
Dollar dollar
Dollar dollar

Jesu Sege
Make abobi no see sege
Everytime I drop e dey bounce aje
Na by force, girlie dem drop the ikebe
Make ọlọpaa no carry my car go
Cause I dey Medellin looking like chapo
24 melanin girls in my castle
That's why you never see Lolo outside o
