

# Please Don't Leave

Lola Amour

Please don't leave me, baby  
I don't wanna be alone  
But if you leave me, baby  
I'll have no one here at home

You remind me of the summertime  
But sadly that's all i have  
But maybe in another life  
I wouldn't feel so bad

I know what you told me but i don't know what i was thinking  
I know i'm supposed to be ready but i never did let it sink in  
We had what we had  
We had what we had

Hoping for a miracle when i wake up in the morning  
When i open my eyes, it's summertime again

Please don't leave me, baby  
I don't wanna be alone  
But if you leave me, baby  
I'll have no one here at home

Please don't leave me, baby
