

The Answer

Lola Blanc

Fine dollar, five dollar, get your new life on sale
Act fast now, and baby, I'll cut you a deal
Shot caller, big baller, if you've been feeling frail
Come here, listen closely, I'll make you an alpha male

Fix you right up, it's an instant mood enhancer
Come and line up, guaranteed to raise your stature
If you sign up, best believe I'll cure your cancer
Give your time up, 'cause I've got the answer

Pray on it, prey on it, what would the big boy do?
Well, I'm the one who talks to him, I'll pass it on to you
You want it, I've got it, a salve for every wound
And I might make you woozy now, but you'll feel better soon

Fix you right up, it's an instant mood enhancer
Come and line up for the pathway to the rapture
If you sign up, best believe that I will cure your cancer
Give your time up, 'cause I've got the answer

Welcome to my church of certainty

Divine healer, mind reader, I'm blessed with a gift
Put down your deposit and feel your vibrations shift
Crowd-pleaser, loudspeaker, come and pick a side
Bring those shades of grey and I can make them black and white

Fix you right up, it's an instant mood enhancer
Come and line up for your energetic transfer
If you sign up, baby, I can cure your cancer

Watch me rise up, watch me rise up, watch me rise up
Now my name is on the banner
Make a shrine up for your master and commander
Give your lives up, give your lives up, give your lives up
'Cause I've got the Answer
