

# Not The Same

Lola Brooke

Me and you really not alike  
I could afford to fuck a check up every night  
On that PJ won't be taking flights  
Yeah, yeah, yeah  
All these bitches do it for the hype  
Yeah, yeah, yeah  
Me and you really not the same  
I get money I don't have any complaints  
He can't be my nigga if he lame  
Yeah, yeah, yeah  
I'm the realest all these bitches fake  
Yeah, yeah, yeah

I am not the same  
I don't want them to complain  
Oh you bitches broke heard you hoping on the train  
Dropping nike teck all my niggas get the check  
If I call the dogs then they coming for your neck  
Too much dough to count I do not know the amount  
Can't fuck with the illiterate they do not know how to count  
Get a check and bounce hit the club unannounced  
Standing on ya sofa nigga motherfuck ya couch

Me and you really not alike  
I could afford to fuck a check up every night  
On that PJ won't be taking flights  
Yeah, yeah, yeah  
All these bitches do it for the hype

But they money in a drought  
Watching all my moves  
So I took another route  
How dare you flex on me when you know what I'm about  
Money talks bullshit walks ill still run in your mouth  
Is it glory or go  
Make a nigga wanna bone  
I could get it on my own  
Ain't a niga that I owe  
I don't like a opportunist  
Broke niggas better flew in  
Wanna know what I'm doing

On that PJ won't be taking flights
