

## Pit Stop

Lola Brooke

Yeah buddy, rolling like a big shot  
Got a nigga caught up off the thirst at the pit stop  
(You know what it is)  
Uh, this a big stop (When you hear that)

Ask me where my man at, nigga, I don't know  
Say you wanna risk it all, I hope

While your nigga still taking home plates  
French been styling, fresh inside  
Shorty hop in the truck, give me a paint job  
Is the ass fat? Can she fuck good?  
She got her lips done, so she can suck good
