

## Calm Down

Lolawolf

Try to speed up the beat  
Don't know honest I can be  
Calm Down

Rooms feeling pretty slow  
I'm kindly asking you to watch your tone  
Look at me  
We ain't on the phone  
Watch your tone  
Calm down

I get down and heavy all the time  
Baby I want it  
I need it

Gotta handle my shit  
Could you move over just a bit  
Close your eyes and you'll be fine  
I get down and heavy all the time  
Can't you see I'm losing my mind?

I get down and heavy all the time  
Calm down  
I need it  
(I'm way over it now  
I'm fine  
Baby, I won't let them now so nevermind  
And I'm way over it now  
I'm fine  
It's way over)
