

## Dirty Feeling

Lolawolf

Boy, boy you should know  
You should know now  
Boy you should go  
You should go now

I know you've been gunning [x2]

I gotta dirty feeling that it's going down  
I gotta dirty feeling  
Look at ya [x2]

Move slow  
Boy you should go you should go now  
I can see what's coming  
I know you've been gunning
