

Do Ya Think?

Do ya think?
Do ya think, yea?
Do ya think?
Do ya, do ya think, yea?
Do ya think I'm fly, yea?
Do ya think I'm fly?
Do ya think about it?
Do ya think?
Do ya, do ya think?

You never listen
Bitch-bitch-bitch-bitch you never listen
Try and get you on the phone, all alone
On the phone
Over your home like a drone
Where you stay?
Aye, where you at?
Where you at?
I heard you hangin' with that other crowd
Everybody's got that other crowd
How 'bout that other crowd

Do ya think?
Do ya think, yea?
Do ya think?
Do ya, do ya think, yea?
Do ya think I'm fly, yea?
Do ya think I'm fly?
Do ya think about it?
Do ya think?
Do ya, do ya think, yea?

We on a mission
On that mission
Do-do-do-do-do things how we want to do it
We don't need permission
Wrote you a letter
Said I love better
It said I know you know I love you better
What you say?
Hey, what you say?
Don't make a female say it out loud
Everybody's gonna know now
We not that other crowd

Do ya think?
Do ya think, yea?
Do ya think?
Do ya, do ya think, yea?
Do ya think I'm fly, yea?
Do ya think I'm fly?
Do ya think about it?
Do ya think?
Do ya, do ya think

Do ya think?
Do ya think, yea?
Do ya think?
Do ya, do ya think, yea?
Do ya think I'm fly, yea?
Do ya think I'm fly?
Do ya think about it?
Do ya think?
Do ya, do ya think, yea?
