

## What Love Is

Lolawolf

Maybe when I get a little bit older  
I'll get caught  
Telling a lie, telling a lie  
Why can't I get a little bit older?  
I hear it happens, all the time

Looking from the outside and I can't get in  
Is it cos' I'm tired? Baby I'm so tired  
Feeling all your whispers soaking in my skin  
Will it make me faithful? why can't I be faithful?

I wanna know what love is, I wanna know what love is  
I wanna know what love is, I really hope that it's not you

If the room gets a little bit colder  
Should we take it as a sign? is it a sign?  
When my tear trickles down your shoulder  
You get yours, you got yours

Baby it'd be different if I was satisfied  
Would it make you better? Want it to be better  
I got a sick illusion stuck in my mind  
I thought it would be softer, I wish it was softer

I wanna know what love is, I wanna know what love is  
I wanna know what love is, I really hope that it's not you
