Lollipop Lust Kill

Though I heard you say you love me  
It pains me to say this  
But I have a Question  
Would You love me, if you could see me?  
Would you love me, if you could hear me?  
Would you love me, if I wasn't there?  
Why do you love me?  
Why do you love me?  
Why do you love me?  
Why do you..?  
Why do?  
WHY!?  
Why do you love me...?
