

# Blur

Lolo Zouaï

Last night was a blur

I think you're my type, yeah  
Smoother than my new ride  
Incompatible signs  
Fuck that when it feels right (When it feels right)

Isn't it cool  
Breaking the rules?  
(Hey, I got a man but I want you baby)  
Isn't it fun?  
Who cares if you're the one  
(Oh no, baby, what did we do?)

Last night was a blur (A blur)  
I stayed till the morning (Oh last night)  
Let you call me your girl (Your girl)  
That don't mean I'm falling (But I think I might)  
You're every single thing that I deserve (Deserve)  
Maybe that's too boring (I won't lie)  
'Cause I might say some things you never heard  
Like I did last night  
What a blur

Oh yeah, we hopped the fence  
Took a dip in the pool  
Think we were making out in a hot tub too  
Remember how we got back to your place?  
How I woke up with nothing but your sweats on boo (Oops)

Isn't it bad  
Forgot what I said  
(Hey, I got a man but I want two baby)  
But isn't it nice  
Doing the same thing twice  
(Oh no, tell me what did we do?)

Last night was a blur (A blur)  
I stayed till the morning (Oh last night)  
Let you call me your girl (Your girl)  
That don't mean I'm falling (But I think I might)  
You're every single thing that I deserve (Deserve)  
Maybe that's too boring (I won't lie)  
'Cause I might say some things you never heard  
Like I did last night  
What a blur

Qu'est-ce qu'il s'est passé hier soir?  
(I know I said it was the last time)  
On a fait que d'chanter et de boire  
(But I would do it all again)

Last night was a blur  
I stayed till the morning  
Let you call me your girl  
That don't mean I'm falling
