

## Encore

Lolo Zouaï

You get what you like  
Got used to the lights  
Never gotta ask twice  
Keep 'em waiting in line  
All the others fake  
They can't handle what it takes  
You need somewhere to get away  
From all the cameras in your face

I can make you feel like  
Oooh, excited  
Oooh, you know where to find it  
Oooh, tonight is  
Front row show time you're invited

He said if it's mine it's yours  
Give me everything I want and more  
Doing things we've never done before  
Say my name like you want an encore

Hey  
Lo-lo-lo-lo-love it when you drop it  
Lo-lo-lo-lo keep it going lo lo

Oui, bon appétit  
Montre-moi comment tu vis  
Give me the key  
And let me take over the spotlight  
Know you had enough  
Take it off now  
I wanna feel it on me  
Candy so sweet  
Jusqu'à lundi  
Oo I think they caught us on the CCTV  
I don't really care just keep on looking at me

Looking at me  
Baby, can you tell?  
I'm so excited  
No hands when I ride it  
Oooh, baby tonight is  
Front row show time you're invited

He said if it's mine it's yours  
Give me everything I want and more  
Doing things we've never done before  
Say my name like you want an encore

He said if it's mine it's yours  
Give me everything I want and more  
Doing things we've never done before  
I make it  
For an Encore

Lo-lo-lo-lo-love it when you drop it  
Lo-lo-lo-lo, keep it going, keep it on the lo
