

Called you and told you I loved you
I loved you, ay
Called you and told you I loved you
But I don't, I don't, I don't
I don't remember
No I don't, I don't, I don't
I don't remember
I don't remember

This ain't no love song, no no
Not saying I'm incapable of getting caught up in my feelings
It's gon' take a lot more to get down to my core
I gotta get fixed man, I'm broken
I'm not perfect I'm still learning
My words, they were stolen by the liquor in my system

I know that I fucked up
I fucked up
I know that I fucked up and I'm sorry
I know that I fucked up when I

Called you and told you I loved you
I loved you, ay
Called you and told you I loved you (That I loved you)
But I don't, I don't, I don't
I don't remember
No I don't, I don't, I don't
I don't remember
I don't remember
I don't remember
I don't remember
I don't remember
I don't remember
I don't remember
I don't remember
I don't remember
I don't remember

I don't no I don't
I don't remember
