Lolo Zouaï

In my bed  
Dreaming of a pink Suzuki  
Insomniac  
Order in some late night cookies  
Too depressed  
Swear I've watched 'bout every movie  
VHS  
Stuck in my VHS

When I was little  
I wanted that Hello Kitty room  
Sour Skittles, chokers from Limited Too  
But I had to settle for Ross and Payless shoes  
Down the middle  
Sneak my mom's French perfume

When I'd look up with the mirror I could fly  
No one could tell me different  
Now when I look up in the mirror I could cry  
I'll never feel different

In my bed  
Dreaming of a pink Suzuki  
Insomniac  
Order in some late night cookies  
Too depressed  
Swear I've watched 'bout every movie  
VHS  
Stuck in my VHS

V-H-S-S-S-S-S-S  
VHS stuck in my VHS  
Stuck in my V-H-S-S-S-S-S-S

Stuck in my VHS

Black and white checkers on the floor  
Kitty cat scratching at my door  
Ooo maybe I'll pick up my guitar  
In my messy ass apartment in Prospect Park  
When I'd look up with the mirror I could fly  
No one could tell me different  
Now when I look up in the mirror I could cry  
I'll never feel different

In my bed  
Insomniac  
Oh I'm too depressed  
VHS  
Stuck in my  
V-H-S-S-S-S-S-S  
(Dreaming of a pink Suzuki)  
Insomniac  
VHS stuck in my VHS  
Stuck in my V-H-S-S-S-S-S-S
