

# Higher

LOLO

I've seen many roads  
I lost all control  
But all the battles that I fought  
Led me to where I belong  
All I had to do was hold on

From the top of the mountain  
From the crash of the lightning  
With my heart beating louder  
Taking me higher  
Won't look back  
Won't look down  
There's no way  
Can't stop now  
That I'm stronger  
Feeling the fire  
Taking me higher  
Taking me higher

Had my share of scars  
Heartbreak fall apart  
But if you never take the leap  
You'll never end up on your feet  
All you gotta do is hold on

From the top of the mountain  
From the crash of the lightning  
With my heart beating louder  
Taking me higher  
Won't look back  
Won't look down  
There's no way  
Can't stop now  
That I'm stronger  
Feeling the fire  
Taking me higher  
Taking me higher

From the top of the mountain  
From the crash of the lightning  
With my heart beating louder  
Taking me higher  
Won't look back  
Won't look down  
There's no way  
Can't stop now  
That I'm stronger  
Feeling the fire  
Taking me higher  
Taking me higher  
Taking me higher
