

I Need a Man

LOLO

Well, I need a man, I need a man, I need a man to love
I need a man, I need a man, I need a man to hug
I need a man to love me
I need a man to hug me
Well I need someone I can tell my troubles to

Yeah, I've got me pups and a Persian cat
And I can't be satisfied with no pet
I need a man to love me
I need a man to hug me
Well I need someone I can tell my troubles to

I have plenty of cash and a fine mink coat
But they just can't give me what I need the most
I need a man to love me
I need a man to hug me
Well I need someone I can tell my troubles to

Well there's just one thing that I can't see
There's a world full of men, but there's none for me
I need a man to love me
I need a man to hug me
Well I need someone I can tell my troubles to

Well the man I want must be like this
Tries too easy, two lips that kiss
I need a man to love me
I need a man to hug me
Well I need someone I can tell my troubles to

I've got me pups and a Persian cat
And I can't be satisfied with no pet
I need a man to love me
I need a man to hug me
Well I need someone I can tell my troubles to

I need a man, I need a man, I need a man to love
I need a man, I need a man, I need a man to hug
I need a man to love me
I need a man to hug me
Well I need someone I can tell my troubles to
