

## Race With the Devil

LOLO

Well I've led an evil life, so they say  
I'll hide from the devil on judgement day  
Move, hot-rod  
Move, hot-rod  
Move, hot-rod, move me on down the line

Well me and the devil, at a stop light  
He started rollin', I was out of sight  
Move, hot-rod  
Move, hot-rod  
Move, hot-rod, move me on down the line

Well, goin' pretty fast, looked behind  
And hear come the devil doin' ninety-nine  
Move, hot-rod, move man  
Move, hot-rod, move man  
Move, hot-rod, move me on down the line

Well I thought I was smart, the race was won  
Hear come the devil doin' hundred and one  
Move, hot-rod, move man  
Move, hot-rod, move man  
Move, hot-rod, move me on down the line

Move, hot-rod, move man  
Move, hot-rod, move man  
Move, hot-rod, move man  
Move, hot-rod, move me on down the line  
Move me on down the line
