

Reach

Lomelda

So confused who I have been who I haven't
How'd you know, know?
So confused who I have been who I haven't
Outta habit now, now
Thinkin' how
I was
Over there to you, too
Thinkin' how
I was
Over there to you, too
So confused
How you reach through
How you reach through
How you reach through
How you reach through
How
How
