

Skull and Cross Bones

Lone Justice

You should be labeled with a skull and crossbones
'Cause you're a jinx to my soul, oh, oh yeah
You should be labeled with a skull and a crossbones
'Cause you're a jinx to my soul, oh, oh yeah
You're a menace to women, better open up a prison
'Cause you act like a child, driving everyone wild

Uh-huh, oh, a big X means a crossbones
I said a, a big X means a crossbones
My heart sighs, my heart moans
Then it cries and then it groans

You should be labeled with a skull and crossbones
'Cause you're a jinx to my soul, oh, oh yeah
You should be labeled with a skull and a crossbones
'Cause you're a jinx to my soul, oh, oh yeah
Yeah, you're a menace to women, better open up a prison
'Cause you act like a child, driving everyone wild

Uh-huh, uh, a big X means a crossbones
I said a, a big X means a crossbones
My heart sighs, my heart moans
Then it cries and then it groans

You should be labeled with a skull and crossbones
'Cause you're a jinx to my soul, oh, oh yeah
You should be labeled with a skull and a crossbones
'Cause you're a jinx to my soul, oh, oh yeah
Yeah, you're a menace to women, better open up a prison
'Cause you act like a child, driving everyone wild
