

Wait 'Til We Get Home

Lone Justice

Well, honey, you know that I don't think much of your friends
I don't care if they don't like me
But if we go out somewhere, some night
And we run into them
Better be careful how you treat me

Even though I'm not known
To cause an angry scene
Just wait 'til we're alone
Cause I can get mean

Wait 'til we get home
I'm saving it up
I'm gonna let it fly
Well, wait 'til we get home
I'm making a list
I'm gonna check it twice
When we get home

Well, if you put me down
Just to get a laugh
Then you out and out ignore me
I'm gonna be thinking up ways
To get you back
And, baby, you're gonna be so sorry

Well, you know my heart is true
So show me some respect
Cause you know what I'll do
If you should forget

Wait 'til we get home
I'm saving it up
I'm gonna let it fly
Well, wait 'til we get home
I'm making a list
I'm gonna check it twice
When we get home

You're gonna be beggin' me for comfort
But I need more than an apology
And when all of this over
You're gonna have to make it up to me
Yeah, yeah

Oh, I don't ask too much of you
Yeah, and my demands are simple
Don't think that I don't love you
Just because I yell a little

Well, wait 'til we get home
I'm saving it up
I'm gonna let it fly
Ooh honey
Wait 'til we get home
I'm making a list
I'm gonna check it twice

Wait 'til we get home
I'm saving it up
I'm gonna let it fly
Ooh honey, wait 'til we get home
I'm making a list
I'm gonna check it

Wait 'til we get home
I'm saving it up
I'm gonna let it fly
Well, wait 'til we get home
I'm making a list
I'm gonna check it

Baby, hurry up and wait
