

Backyard bonfires sipping on something slow
A downtown packed bar putting on your rock and roll
Crash the couch or county line
Making plans or wasting time
Yeah, it's all about you tonight, oh, oh, oh
Whatever you want, I'm in, say when
As long as we wind up somewhere with
Your lips, on mine, one time
And one after that, yeah
Whatever you want, girl I don't mind
Long as we do it again tomorrow night
'Cause the only thing better than once
Is twice

You in the moonlight
Twice your heart beating next to mine
Twice that wild burning in your eyes
Only thing better than once
Is twice

Bedroom tangled up till the sun comes through
Backseat memories, baby we can do that too
Another breath, another touch
More can never be too much
Now I won't ever get enough of you
Oh, whatever you want, I'm in, say when
As long as we wind up somewhere with
Your lips, on mine, one time
And one after that, yeah
Whatever you want, girl I don't mind
Long as we do it again tomorrow night
'Cause the only thing better than once
Is twice

Twice you in the moonlight
Twice your heart beating next to mine
Twice that wild burning in your eyes
Only thing better than once

Whatever you want, I'm in, say when
As long as we wind up somewhere with
Your lips, on mine, one time
And one after that

Whatever you want, girl I don't mind
Long as we do it again tomorrow night
'Cause the only thing better
Only thing better
Only thing better than once
Is twice
