

## Dark World Order

Lonewolf

Cold winds in the alleys  
The fog is hiding the moon  
The air's thick and heavy  
Phantoms rise in the gloom

A long foretold prophecy  
Is ruling the night  
Despite warnings and bad omens  
They unchained evil's might

Lurking evil awaits to rise  
Men's greed feeds the lord of the flies  
We're the hosts of a dark world order  
Warlocks are on the rise

They released the devil  
Brainwashed fools, dead blind eyes  
Don't forgive them, father  
For they do know what they are doing

A long foretold prophecy  
Is ruling the night  
Despite warnings and bad omens  
They unchained evil's might

Lurking evil awaits to rise  
Men's greed feeds the lord of the flies  
We're the hosts of a dark world order  
Warlocks are on the rise
