

Life Is Wrong

Longwave

When time begins today the past is washed away
Our lives are rearranged, now everything has changed

You lost and your life is wrong
You lost and your lights are wrong, so wrong

You have no plan living to face the mad again
Our lives would be ashamed, there is so much to gain

But you lost and your life is wrong
Well, you're lost and you won't belong
You're lost and your life is wrong, so wrong

(Whoa-whoa-whoa-whoa-whoa, whoa-whoa-whoa-whoa-whoa
Whoa-whoa-whoa-whoa-whoa, whoa-whoa-whoa-whoa-whoa) So wrong
(Whoa-whoa-whoa-whoa-whoa, whoa-whoa-whoa-whoa-whoa) So wrong
(Whoa-whoa-whoa-whoa-whoa, whoa-whoa-whoa-whoa-whoa) So wrong
(Whoa-whoa-whoa-whoa-whoa, whoa-whoa-whoa-whoa-whoa) So wrong
(Whoa-whoa-whoa-whoa-whoa, whoa-whoa-whoa-whoa-
whoa) It's so wrong
