

# I Ain't Gonna Be Your Fool

**Lonnie Johnson**

I work all day long for you : until the sun go down  
And you take all my money and drink it up : and come home  
and wants to fuss and clown

It hurts to love a person : that don't belong to you  
Because when they find out that you really love them :  
and they don't care what they do

They'll take your heart and they'll use it : like a  
football on a football ground  
And when they get through playing with your heart : and  
they'll start dragging you all around
