

Sam, You're Just A Rat

Lonnie Johnson

Sam you say you my friend : but your ways I just don't
like
Soon as I leave my home : you trying to bite me in my
back

Now Sam you not my friend : and my home you better stop
hanging around
Because I've paid for your coffin : and I mean that you
graveyard bound

Sam if you want a woman go get one : and let my wife
alone
Because if I ever catch you with my wife : you hell bound
sure as I'm born

Sam a real man can live happy : but no-good men like you
You trying to wreck my family : and some other man's
family too

Sam I thought you was my friend : I thought you just was
swell
So I'm going to give you a vacation : that's a round-trip
ticket to hell
