

Escuchame

Loona

VERSE I

i'm done with loving you
i've been wasting my time
my precious time on you
i'm gonna walk away
walking far away
i don't have anything
more to say

BRIDGE

ooo, how could you lie to me, tell all
those things i did believe from you
o, ooo how could i ever think that you're
the one, that you're the one for me

CORUS:

ai, ai, ai, escucha_me, y deja me vivir en paz
ai, ai, ai, mira_me, mi corazon partido esperando porti

VERSE II

to hang around and wait for you
was all what i did. how could
i be such a fool with you
i wanted to take, wanted to take a run
but now i finally see that you're not the one

BRIDGE

ooo, how could you lie to me, tell all
those things i did believe from you
o, ooo how could i ever think that you're
the one, that you're the one for me

CORUS:

ai, ai, ai, escucha_me, y deja me vivir en paz
ai, ai, ai, mira_me, mi corazon partido esperando porti
ooo my love, you don't belong to me
i don't need you any longer
ooo i'm losing love
i'm too too good for you

CORUS:

ai, ai, ai, escucha_me, y deja me vivir en paz
ai, ai, ai, mira_me, mi corazon partido esperando porti
