Bass  
Flip that, that, that, that, that, that, that  
Everything, flip that, that, that, that, that, that, that

Everything, flip that world upside down  
So the same day and night won't connect  
My moment is like right now, wow  
Spread out endlessly  
I'm feeling nice, I'm feeling good  
So flip that, flip that now (Hey)

Ooh-ooh, nan-na-na, flowers bloom  
At your fingertips, I got this heartbeat pounding

Ooh-ooh, nan-na-na, when you open your eyes  
It changed me  
The new light that follows me quietly  
We love the way we go  
Yeah, turn it all over  
(Go slow with the bass)

Flip that  
That, that, that, that, that, that  
Turn it over, over  
Everything, flip that  
That, that, that, that, that, that  
We'll tell you everything, woo  
That, that, that, that, that, that  
Oh, gotta do, gotta do, gotta do  
That, that, that, that, that, that

There will be light again on a road without stars  
Come out, make it count  
Tell me all of it together  
Changing is curious and cool  
They seem to be different like all the colors (What?)  
Flip it, inside out  
Take it out, the secret that blooms in your heart  
Turn it over, over  
I'll listen to you anytime

Ooh-ooh, nan-na-na, flowers bloom  
At your fingertips, I got this heartbeat pounding  
Ooh-ooh, nan-na-na, when you open your eyes  
It changed me  
The new light that follows me quietly  
We love the way we go  
Yeah, turn it all over  
(Go slow with the bass)

Flip that  
That, that, that, that, that, that  
Turn it over, over  
Everything, flip that  
That, that, that, that, that, that  
We'll tell you everything, woo  
That, that, that, that, that, that  
Oh, gotta do, gotta do, gotta do  
That, that, that, that, that, that

The light I found in my memories connected  
(Hey babe, hold on)  
Oh, now it appears in front of me  
More and more, it spreads (Ha-ah)  
It seep into you (Yeah)  
We will find out  
If you really want  
(Go slow with the bass, hah)

Flip that  
That, that, that, that, that, that  
Turn it over, over  
Everything, flip that  
That, that, that, that, that, that  
We'll tell you everything, woo  
That, that, that, that, that, that  
Oh, gotta do, gotta do with the love

That, that, that, that, that, that

We'll wake you up, you'll be my light (Woo)

Turn it all over and the answer is yes

I want that, I want that, ooh

That, that, that, that, that, that

Oh, gotta do, gotta do, gotta do (Do)

That, that, that, that, that, that
