

Don't You Ever (Try To Change Me)

Loose Ends

Ragamuffin

Ragamuffin

Hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey

Take me how you find me

Don't you try to change me

And you'll feel my love come through, yeah

Take some time and you'll understand the things I do

Then you'll realize how I feel for you, baby

I ain't gonna change my view

So understand the things I do

All I really want is to share my life with you

Don't you ever try to change me (Oh, babe)

Don't you ever try to change me

Don't you ever try to change me

Don't you ever try to change me

Hey, hey, hey, hey, hey, hey

Ragamuffin

Hey, hey, hey, hey

Ragamuffin

Girl, I feel it's about time, yeah

To compromise, get things goin' right, yeah

Don't try to change me

You'll feel my love come through, ooh

Take some time and you'll understand the things I do

Then you'll realize how I feel for you, baby

I ain't gonna change my tune

So understand the things I do

All I really want is to share my life with you

Don't you ever try to change me

Don't you ever try to change me

Don't you ever try to change me (Hey, hey)

Don't you ever try to change me (Hey, hey, hey)

Don't you ever try to change me (Hey, hey, hey)

Don't you ever try to change me

(Give me, guilty)

(You run around, oh, yeah)

Don't you ever try to change me

Don't you try to change me (Oh, you ever, ever)

Hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey

Hey, hey, hey, hey

Don't you ever, don't you, don't

Don't you ever, don't you, don't

Don't you ever, don't you, don't

Don't you ever, don't you, don't

Don't you ever try to change me

Hey, hey
Hey, hey, hey
