

# If My Lovin' Makes You Hot

Loose Ends

I was only fifteen when my father walked out the door  
My mother went crazy, too many years had flown through the door  
So out into the dark night searching for another home  
Headed toward that bright light girl I know I'll never be alone

If you want high life, bright lights, come on in, welcome to my playground  
But there are little babies, foxy ladies, city boys and shiny cars

(If my loving makes you hot)  
Give a little take a little now  
(If you're feeling on the spot)  
Let's get it on  
(If our loving makes you hot)  
Come into the playground  
(If you're feeling on the spot)  
Let's get it on, on, on, on

I was only fourteen when my mother walked out the door  
Father started drinking, he didn't care about me no more  
Lots of different ladies walking in and out of home  
Showing him a good time when no one seemed to care about mine

If you want high life, bright lights, come on in, welcome to the playground  
There are little babies, foxy ladies, city boys and shiny cars

(If my loving makes you hot)  
Let's get it on  
(If you're feeling on the spot)  
Let's get it on  
(If our loving makes you hot)  
Let's get it on  
(If you're feeling on the spot)  
Let's get it on, on, on, on

Is this a love song  
(If you want high life)  
Take me to the bright lights  
(Into the bright lights)  
(If you want high life)  
Take me to the bright lights  
(Into the bright lights)  
(If you want high life)  
Take me to the bright lights  
(Into the bright lights)

(If my loving makes you hot)  
Let's get it on  
(If you're feeling on the spot)  
Take it to the bright lights  
(If our loving makes you hot)  
Let's get it on, let's get it on  
(If you're feeling on the spot)  
My mummy was mad and my daddy was sad  
(If my loving makes you hot)  
Welcome to the bright lights  
(If you're feeling on the spot)  
In the street of love

(If my loving makes you hot)  
Where I know where I'm headed  
(If you're feeling on the spot)  
I'm in the bus at King's Cross  
(If my loving makes you hot)  
Now come here boy don't waste no time  
(If you're feeling on the spot)  
(If my loving makes you hot)  
Love is so easy to find
