

Let's Get Back To Love

Loose Ends

You were sweet, like a melody
Oh inside your arms, your love guided me
But now my heart aches
For that love
Something changed, and I don't know why
I feel so unsure, that sometimes I cry
Although I think that you don't care
You're still here, with me, never too-far

We've come, oh so far
(There's no turning back)
(You broke that golden rule)
And now, that times have changed
(Our love will stay sacred for evermore)

Let's get back to love
{Let's get back to love}
It's you I want to love
{Love}
Let's get back to love
{Let's get back to love}
I can't wait, no no no {Love}

If I, no longer have your heart
Then I think it's better, for us to part
Just playing games while our love slips away
It's too much to bear, ooh ah yeah
Now you've changed, and I don't know why
I feel so unsure, that sometimes I cry
Although I think that you don't care
You're still here, with me...

We've come, oh so far
(There's no turning back)
(You broke that golden rule)
And now, that times have changed
(Our love will stay sacred for evermore)

Let's get back to love {let's get back to love}
It's you I want, to love
{Love}
Let's get back to love
{let's get back to love}
'Cause I can't wait, no no no, no no no, no no no

So let's get back to love {let's get back to love}
(I'm on my way, to my baby)
Let's get back to love
{let's get back to love}
Come open up your heart, baby, you be smart
Let's get back to love {let's get back to love}
(Been so lonely)
{Love}
