

Love Controversy, Pt. 1

Loose Ends

When the living's high
Living's kinda neat
Like the flowers in the sun
Feel that nothing could go wrong
'Cause the loving shared is so very strong
If love is gonna be
Our controversy

Baby, don't you know
We should
Try to work it out
Let's do things right
Can't you see you're playing with our hearts

One love is good
For you only, lover
Don't you tell me no
I'm the only one who
Takes you through
To a high
Of a love that's so strong
Of a love that's so strong

Let's give it all we've got
Let's hang on to the dreams
Made us fall in love
So many nights
I know your pride is touched
In a way that hurts you much

Baby, don't you know
We should
Try to work it out
Let's do things right
What we've got's a lifetime love affair

One love is good
For you only, lover
Don't you tell me no
I'm the only one who
Takes you through
To a high
Of a love that's so strong
Of a love that's so strong

One love is good
For you only, lover
Don't you tell me no
I'm the only one who
Takes you through
To a high
Of a love that's so strong
Of a love that's so strong

One love is good
For you only, lover
Don't you tell me no

I'm the only one who
Takes you through
To a high
Of a love that's so strong
Of a love that's so strong
