

Try My Love

Loose Ends

You give me eyes, you give me signs
I think that I'm invited
To maybe talk or take a walk
Share some time with you
I'd to know what's going on
But if I find too hard to ask it
You make it rough, you make it tough
But girl

Won't you try my love? Give me something back
Try my love
Won't you try my love? Give me something back
Try my love, yeah, whoa

If you want some lovin', baby, yeah
You got to give some lovin' back
Won't you give it to me
I'll be waiting for ya, oh
Share some love with me, yeah, baby
Try
Try, try, try, my love, oh

You're on my mind all the time
I just can't seem to fight it
You pick me up, you bring me down
Girl, I feel mistreated
And now I find I'm working hard just to get to know ya
You bring me up, you put me down
But girl

Won't you try my love? Give me something back
Try my love, yeah
Won't you try my love? Give me something back
Try my love, yeah
Won't you, won't you try my love? Give me something back
Try my love (Just wanna give you something)
Won't you try my love? Give me something back
Try my love, yeah, yeah yeah

If you want some lovin', baby, yeah
You got to give some love back, ah
I'll be waiting for ya, baby
I just want you, you to try my love, oh
Try, try, try my love, yeah
Try, try, try my love, baby

Won't you try my love? Give me something back
Try my love, oh
Won't you try my love? Give me something back
Try my love, oh
Try my love, give me something back
Try my love, yeah, yeah
Won't you try my love? Give me something back
Try my love, oh
Won't you try my love? Give me something back
Try my love, oh, oh
Won't you try my love?
