

Start Up

Loot

I'm slow to start up but I'm in from day 1
I don't know a lot but I know about us
I don't know a lot but I know I love ya
Like we're gonna die young

One time I took the R train out to
Bay ridge
For some kid
Cuz I thought we might kiss
And we did
And I hope he hears this and
Regrets the day he
Let me go
(Mmm)

We were barely seventeen
He wanted me just like the movies
But I want the real thing
I don't wanna fake it anymore

I can't get this out my system
Baby I'm just wired different

Slow to start up but I'm in from day 1
I don't know a lot but I know about us
I don't know a lot but I know I love ya
Like we're gonna die young
(I'm)
Slow to dive in but when baby I jump
I dive deep yeah swimming with sharks
I don't know a lot but I know I love ya
Like we're gonna die young

Drunk on summer nights
Then one day I woke up, 25
And realized the
Real one can take what I give
And won't let go

I can't get this out my system
But you say you like my different

Slow to start up but I'm in from day 1
I don't know a lot but I know about us
I don't know a lot but I know I love ya
Like we're gonna die young
(I'm)
Slow to dive in but when baby I jump
I dive deep yeah swimming with sharks
I don't know a lot but I know I love ya
Like we're gonna die young

Slow to start up but I'm in from day 1
I don't know a lot but I know about us
I don't know a lot but I know I love ya
Like we're gonna die young (Yeah)

Slow to start up but I'm in from day 1
I don't know a lot but I know about us
I don't know a lot but I know I love ya
Like we're gonna die young
(I'm)
Slow to dive in but when baby I jump
I dive deep yeah swimming with sharks
I don't know a lot but I know I love ya
Like we're gonna die young
