

Mine Forever

Lord Huron

If you ever want to see my face again, I want to know
If you ever get lonely, please let me know
If you never want to see my face again, I'll understand
If forever gets lonely, take my hand

Don't laugh, you'll make me cry
So long, good luck, goodbye
I know we will be together
In my mind you're mine forever
In my mind you're mine forever

If you're ever gonna leave this place, don't wait, it's time to go
If you really wanna stay, I'll go alone
If you tell me where to meet then there I'll wait 'til I turn to bones
Oh, we really should have left here long ago

Love is strange, I can't sleep without you
Maybe in the grave I can dream about you
Everybody lies, but I'll never doubt you
I don't wanna die, but I can't live without you

I'm much too young to die
So long, my love, goodbye
We will always be together
In my mind you're mine forever
In my mind you're mine forever
In my mind you're mine forever
In my mind you're mine forever
In my mind you're mine forever

If you ever want to see my face again, I want to know
If you never want to see my face again, I want to know
